Our children, Trevor and Chad, have participated in OLH football, basketball and volleyball. I am a CPA and have served as treasurer for several groups including FSA. Per the school website, the primary goal of the athletic department is the formation of Christian ethics and values. Yes, it's great to win, but how you win (and lose) is just as important. As a parent, I have backed the coaches, teachers, administrators and kids to this end. We have a good thing going here. I would appreciate the opportunity to more directly support the athletic department in the role of treasurer.
