

Children discover and learn about their world through play. Play promotes a child's self esteem, because he/she can succeed in play. When children are playing in the following areas they are forming a solid foundation for a lifetime of learning.

Art Media– The children will experiment and have fun with all different types of art materials.

Discovery – The children will develop sensory awareness and curiosity.

Story Corner – The children will socialize through exchanging stories and ideas using books as a basis.

Writing Center – The children will strengthen and develop small muscles. They will communicate through drawing and written words.

Sensory Table – The children will pour, measure and compare. They will expand their sensory awareness.

Large Motor – The children will develop muscles and coordination. They will discover how the body moves.

Philosophy

Our Lady of Humility Preschool is dedicated to serving the needs of the community through a developmental and an active approach to learning. We believe children learn through purposeful play and guided practice. Our preschool allows the children to grow socially, cognitively, physically, and emotionally, in a supportive, positive, and safe environment that is completely Catholic in character. Our preschool prepares the children in all curricular areas for a successful transition to elementary school.

Our Lady of Humility Preschool Offers:

- Academic excellence
- Dedicated faculty
- Faith based curriculum
- Before/After school care
- Music program
- Physical education program
- Integration of programs and events with K-8
- Priority for Kindergarten admissions
- Bus service
