

The school uniform options have been expanded to provide more choice and lower cost. While you can still purchase items through School Belles, there are several additional options for ordering this year. If you purchase through Lands End or French Toast, our FSA will receive a portion of the proceeds and this helps sponsor programs for our students.

The link for the Land's End Website for ordering School Uniforms is below. It will take you to the OLH On-Line Catalog. The custom shopping experience for Our Lady of Humility School is live and can be viewed here:
