PK4

Religion: Say a special prayer for your prayer pal.

ELA: Find 5 items in your home that start with the letter T.

Math: Find 2 items in your home that are triangles.

Science/Social Studies: Create a chart to record the weather for today.

Physical Activity: Practice skipping.

Kindergarten

Religion: Work on Stations of the Cross pages that were sent home. I will send more of the stations to each student via family email later in the week.

ELA: Read guided readers daily, and work on sight word and word family pages that were sent home. I will be sending more phonics and word family papers for the students to work on via email later in the week. Also, when out with parents, show off how many words you can recognize by reading words that you see while out. I will also try to put together some more reading practice for them to read while they are off.

Math: Work on math pages that were sent home with students. I will be putting together more pages for them to work on later in the week via email,

Science/Social Studies: Create a chart to record the weather for today.

Physical Activity: Students can find some fun dance activities on Gonoodle.com.
