

OLH E-learning Plan

2020-2021

Given there are families not comfortable with returning to in-person learning, Our Lady of Humility School will utilize this e-learning plan for our students in order to continue to provide a quality Catholic education away from the school building.

Format:

- Students will utilize the Schoology platform.
- Each day teachers will update Schoology by 9am with the assignments for the day.
- Religion, math, ELA, science, and social studies will be included in every day's work.
- Specials classes (art, music, PE, & computers) will be included once a week.
- Individual teachers may follow-up with a more in-depth email for families if needed.

- Families choosing e-learning over in-person learning must commit to the full trimester.
