

Friday, April 17th

### **PK3**

**Religion:** Please have your child imagine once more their Guardian Angel flying above and protecting your child each day. Child will say “Ever this day be at my side.” We will be learning more of this prayer, bit by bit, next week. There will be a special surprise going along with this theme in tomorrow morning’s video. (It is an antique, something from long ago.)

**ELA:** There are two YouTube videos that go along with our nursery rhymes of the week. They are “Mary, Mary Quite Contrary” and “Jack be Nimble, Jack Be Quick.”

<https://www.youtube.com/watch?v=3kpN80NtZFs>

<https://www.youtube.com/watch?v=keuM7OHG0R4>

**Math:** In tomorrow’s teaching” video we will practice our counting by use of real seashells up to the number ten. I hope you enjoyed learning how to sort a large group of items into smaller groupings. That was shown in today’s teaching video and it is known as sorting by attributes. Science/Social Studies: Tomorrow we will see pictures of Squeak, a real baby hummingbird, who was rescued from the cold one late day in the month of October, in New York. I will show you real pictures, called photographs, of Squeak waiting for his morning bath, sleeping on his leaf, cleaning his tiny wings and his long beak also!

**Physical Activity:** We will explore ways that you can pretend to be “Squeak” and to copy some of what we will see through the photographs. You might need to have a small cup of water handy so that you can sprinkle your feathers. We will learn to flap our arms very, very fast which is how hummingbirds fly.

### **PK4**

**Religion:** Continue practicing the “Lord’s Prayer”. If you didn’t get a chance to do the “The 5 Finger Prayer” please try and do it today. This activity gives the children an opportunity to learn how to pray. <https://pin.it/5FOc3Zh>.

**ELA:** I would like you to make a large letter W on paper. Then decorate that W into a picture that starts with the letter W. I will attach examples. <https://pin.it/77CGsyT>.

**Math:** Practice writing the number 9. Continue practicing counting to 100.

**Science/Social Studies:** I would like for the children to make their own butterflies. They can either color one, make one out of shapes, or glue ripped paper onto a blank butterfly. It’s up to them how they want to make it.

**Physical Activity:** Do 25 jumping jacks

**Specials:** Art: Hi! Hope you had a happy Easter! Hope you relaxed a little bit. All the grades will be trying some Origami this week.

Let’s do some Japanese Origami! All you will need is a square piece of paper, copy paper weight or lighter, and some time. Origami paper usually comes in 6x6 or 8x8 sizes, so those are good sizes to use. I found two websites that have fun projects with good instructions!

[origami-fun.com](http://origami-fun.com) and [origamiway.com](http://origamiway.com). Pick a project you like and get folding! Feel free to send me a picture of your finished work. I’d love to see it!! Stay healthy and busy!

## **Kindergarten**

**Religion:** Pray for those who keep us safe and healthy

**ELA:** Complete any work from this week that you were not able to complete. Go onto abcya and choose a phonics game that you would like to play.

**Math:** Complete any work from this week that you were not able to complete. Go onto abcya and choose an addition/subtraction game that you would like to play.

**Science/Social Studies:** Weather permitting, go outside, draw a picture of something that is blooming that you see outside.

**Physical Activity:** Do 25 jumping jacks

**Specials:** Art: Hi! Hope you had a happy Easter! Hope you relaxed a little bit. All the grades will be trying some Origami this week.

Let's do some Japanese Origami! All you will need is a square piece of paper, copy paper weight or lighter, and some time. Origami paper usually comes in 6x6 or 8x8 sizes, so those are good sizes to use. I found two websites that have fun projects with good instructions!

[origami-fun.com](http://origami-fun.com) and [origamiway.com](http://origamiway.com). Pick a project you like and get folding! Feel free to send me a picture of your finished work. I'd love to see it!! Stay healthy and busy!

## **1st Grade: Fun Friday: Do something fun today!!**

**Categories:** We play this as the buzzer game in class. Some topics are: **Types of:** \_snacks, drinks, dairy foods, vegetables, pets, book parts, buildings, characters, coins, condiments, containers, dinosaurs, directions, emotions, flowers, fruits, holidays, ingredients, instruments, jobs, jungle animals, liquids, months, movies, patterns, planets, punctuation, reptiles, insects, rhyming words, seasons, senses, kitchen utensils, sizes ! I hope you have fun playing these games with your family on Fun Friday.

**Video:** <https://prezi.com/v/acigdhjtctxk/>

**Religion:** Say a prayer for the sick, unemployed, scared, sad, and lonely.

**ELA:Spelling:** 3 letter blends

<http://www.theteachersguide.com/firstgradewondersunitsixweekfour.htm>

Spelling city for extra practice.

<https://www.spellingcity.com/view-spelling-list.html?listId=18794262>

Read 20 mins per day: Continue to identify: characters, main idea, setting, plot, through discussion with someone. Think of a way you could extend the story. Illustrate it.

Writing: Write about something you would do differently or add to your recipe that you did this week.

Label all the features of your sentence (the last word, a capital letter and the punctuation).

**Math:** Model with Math (subtraction)

[https://media.pk12ls.com/curriculum/math/ap/g1/enVision\\_G1\\_11\\_07\\_AP.pdf](https://media.pk12ls.com/curriculum/math/ap/g1/enVision_G1_11_07_AP.pdf)

**Science/Social Studies:** Look for blooming flowers in your yard.

How to draw a flower. Step by step youtube. Choose whichever one you like best. I hope you have fun!

[https://www.youtube.com/results?search\\_query=how+to+draw+a+flower+step+by+step](https://www.youtube.com/results?search_query=how+to+draw+a+flower+step+by+step)

**Physical Activity:** Do 25 jumping jacks

**Specials:** Art: Let's do some Japanese Origami! All you will need is a square piece of paper, copy paper weight or lighter, and some time. Origami paper usually comes in 6x6 or 8x8 sizes, so those are good sizes to use. I found two websites that have fun projects with good instructions! [origami-fun.com](http://origami-fun.com) and [origamiway.com](http://origamiway.com). Pick a project you like and get folding! Feel free to send me a picture of your finished work. I'd love to see it!! Stay healthy and busy!

LIBRARY: April is Poetry Month! Many picture books are written in rhyme, just like many poems. Listen to: [Quackenstein Hatches a Family](https://www.youtube.com/watch?v=xoiS5ZFtqVg&feature=emb_rel_pause) (Bardhan-Quallen)

[https://www.youtube.com/watch?v=xoiS5ZFtqVg&feature=emb\\_rel\\_pause](https://www.youtube.com/watch?v=xoiS5ZFtqVg&feature=emb_rel_pause)

Write down three pairs of rhyming words that you hear in the book (fair/bare). What does it mean when they are called rhyming words? Activity: Try writing your own poem using the pairs of rhyming words you heard in the story. Illustrate your poem and send me a photo of your creation! [asteffen@olhschool.org](mailto:asteffen@olhschool.org)

## **2nd Grade**

**Video: No video today, Zoom meeting at 10 AM. See you there!**

**This is a day to catch up on things you may not have had time to do. No new assignments today.**

**Religion:** Please continue to pray for your prayer pal.

**ELA:** Read at least 20 minutes/day.

**Math:** PLEASE try and catch up with the math assignments this week.

**Science/Social Studies:** Please catch up with any social studies assignments. We will move to Science next week

**Physical Activity:** Do 25 jumping jacks

**Specials:** Art: Hi! Hope you had a happy Easter! Hope you relaxed a little bit. All the grades will be trying some Origami this week.

Let's do some Japanese Origami! All you will need is a square piece of paper, copy paper weight or lighter, and some time. Origami paper usually comes in 6x6 or 8x8 sizes, so those are good sizes to use. I found two websites that have fun projects with good instructions!

[origami-fun.com](http://origami-fun.com) and [origamiway.com](http://origamiway.com). Pick a project you like and get folding! Feel free to send me a picture of your finished work. I'd love to see it!! Stay healthy and busy!

### **3rd Grade**

Fridays are ketchup/pickle days. Check over the week's assignments and on PowerSchool to see if you have anything missing. Once you are caught up I have included a few pickle items.

**Ketchup:** Make sure all assignments are completed and turned in on Google Classroom.

-Complete Clementine packet up to page 15. You should have read until page 106 in your book.

-Math: Check Pearson Realize and SplashLearn to be sure assignments are completed and turned in.

-Respond to Mrs. Kamphaus's Flipgrid on Google Classroom

**Pickle:**

-MadTakes.com Challenge

-GetEpic.com

-Prodigy

-nitrotype.com

-Participate in the school wide Quizizz Game at 10:00am! (144 Question Quiz)

**Specials:** Art: Hi! Hope you had a happy Easter! Hope you relaxed a little bit. All the grades will be trying some Origami this week.

Let's do some Japanese Origami! All you will need is a square piece of paper, copy paper weight or lighter, and some time. Origami paper usually comes in 6x6 or 8x8 sizes, so those are good sizes to use. I found two websites that have fun projects with good instructions!

LIBRARY: April is Poetry Month! Let's celebrate with one of the best loved children's poets, Shel Silverstein. Listen to (or mute and just read to yourself) selections from his book Where the Sidewalk Ends: <https://www.Youtube.com/watch?v=8RZV46uuCW4> Activity:

Shel Silverstein's website has lots of fun things to do! Here is just one package from which you can choose from some different activities. Have Fun!

[Event Activity Suggestions](#)

### **4th Grade**

Fridays are ketchup/pickle days. Check over the weeks assignments and on powerschool to see if you have anything missing. Once you are caught up I have included a few pickle items.

**Ketchup:** -Bloom ball pieces. You should have these finished: Main Character, setting, title page, vocabulary, theme, author facts.

-Math: Check Pearson Realize to be sure assignments are completed and turned in.

-Google Classroom: check the "Classwork" tab for any assignments that are incomplete or not turned in.

**Pickle:**

-Class nitrotype challenge at 10am. Feel free to join us and race your classmates!

-Prodigy

-Typing.com

**Physical Activity:** See how many jumping jacks you can do

**Specials:** Art: Hi! Hope you had a happy Easter! Hope you relaxed a little bit. All the grades will be trying some Origami this week.

Let's do some Japanese Origami! All you will need is a square piece of paper, copy paper weight or lighter, and some time. Origami paper usually comes in 6x6 or 8x8 sizes, so those are good sizes to use. I found two websites that have fun projects with good instructions!

[origami-fun.com](http://origami-fun.com) and [origamiway.com](http://origamiway.com). Pick a project you like and get folding! Feel free to send me a picture of your finished work. I'd love to see it!! Stay healthy and busy!

## **5th Grade**

**Today you will be doing Pickle/Ketchup. Remember, you must ketchup before you pickle!**

### **Ketchup:**

- Look at each assignment from this week in Google Classroom. Make sure you have completed each assignment and hit "submit". **Check all subjects!**

### **Pickle:**

- Read a book of your choice
- Legends of Learning
- Math Prodigy
- Nitrotype
- At home experiment(s)

**Physical Activity:** See how many jumping jacks you can do consecutively

**Specials:** Art: Hi! Hope you had a happy Easter! Hope you relaxed a little bit. All the grades will be trying some Origami this week.

Let's do some Japanese Origami! All you will need is a square piece of paper, copy paper weight or lighter, and some time. Origami paper usually comes in 6x6 or 8x8 sizes, so those are good sizes to use. I found two websites that have fun projects with good instructions!

[origami-fun.com](http://origami-fun.com) and [origamiway.com](http://origamiway.com). Pick a project you like and get folding! Feel free to send me a picture of your finished work. I'd love to see it!! Stay healthy and busy!

LIBRARY: April is Poetry Month! Some entire books are written as poems. Picture books are often rhyming poems while novels are sometimes written in free verse, such as Love That Dog by Sharon Creech. It is about a boy being introduced to poetry via his English class. It is written as journal entries he must turn in to his teacher. This week, please read Sept. 13 - Nov. 6 (pages 7 - 16, they are very short!). Love That Dog (Creech)

[https://mrsoqueli.edublogs.org/files/2013/09/Love-That-Dog\\_-A-Novel-Sharon-Creech-144p9qk-2k7xxrw.pdf](https://mrsoqueli.edublogs.org/files/2013/09/Love-That-Dog_-A-Novel-Sharon-Creech-144p9qk-2k7xxrw.pdf)

To read the poems Jack's teacher is assigning him in the story, please see here:

[https://machadolens.files.wordpress.com/2010/12/poems\\_from\\_love\\_that\\_dog.pdf](https://machadolens.files.wordpress.com/2010/12/poems_from_love_that_dog.pdf)

Don't forget to keep up with Aiden Tyler- Quaran-Teen! Rex Ogle is doing a terrific job with writing about things so many of us are experiencing. Live stream is on Tuesdays at 1 pm but You can go back and listen, or download and read the transcript, at anytime:

<https://www.juniorlibraryguild.com/quaran-teen>

## **6th Grade**

**Religion:** See Google Classroom for Prayer and Saint of the Day (St. Benedict Joseph Labre)

**ELA:** Spelling test posted in Google Classroom. Check out Flipgrid for this week's fun challenge.

**Reading Gold:** Finish Reading Book: **7th Grade Revolution**

**Reading Blue:** Add to 6th Grade Blue Blues document on Classroom

**Math Gold:** Quiz in Google Forms, posted on Google Classroom, Lesson 3-7 Simplifying Expressions

**Math Blue:** Quiz in Google Forms, posted on Google Classroom, Chapter 5.5 Dividing Fractions

**Science:** No assignment today. Please use today to catch up on work.

**Social Studies:** Watch new "Week in Rap" on Flocab and respond on Classroom

**Physical Activity:** See how many jumping jacks you can do consecutively

**Specials:** Art: Hi! Hope you had a happy Easter! Hope you relaxed a little bit. All the grades will be trying some Origami this week.

Let's do some Japanese Origami! All you will need is a square piece of paper, copy paper weight or lighter, and some time. Origami paper usually comes in 6x6 or 8x8 sizes, so those are good sizes to use. I found two websites that have fun projects with good instructions!

[origami-fun.com](http://origami-fun.com) and [origamiway.com](http://origamiway.com). Pick a project you like and get folding! Feel free to send me a picture of your finished work. I'd love to see it!! Stay healthy and busy!

**Computers:** Check Google Classroom for an at home "Past Technology" Scavenger Hunt

## **7th Grade**

**Religion:** See Google Classroom for Prayer and Saint of the Day (St. Benedict Joseph Labre)

**ELA:** Finish drafting your essay.

**Reading Gold:** Turn in Video projects for Ch. 2. Read Chapter 3

**Reading Blue:** Add to "7th Grade Blue Blues" document on Google Classroom

**Math Gold:** Quiz in Google Forms, posted on Google Classroom, Chapter 5.5 Dividing Fractions

**Math Blue:** Quiz in Google Forms, posted on Google Classroom, Chapter 6.5 Absolute Value Equations

**Science:** No assignment today. Please use today to catch up on work.

**Social Studies:** Watch new "Week in Rap" on Flocab and respond on Classroom

**Physical Activity:** See how many jumping jacks you can do consecutively

**Specials:** Art: Hi! Hope you had a happy Easter! Hope you relaxed a little bit. All the grades will be trying some Origami this week.
