1st Grade

Religion: Religion: What is Holy Week? Begins on Palm Sunday.

<https://www.youtube.com/watch?v=1s8gKEadTL8>

Respond with 1-2 sentences about how Peter betrayed Jesus. How should have Peter been a better friend?

ELA: wonders: spelling pattern: Words with variant vowel /o/... au or aw word pattern. Au is more common in the middle of words and aw is more common at the end of words. U comes before w in the alphabet. It's a little trick I try to teach the kids about spelling patterns and abc order. <http://www.theteachersguide.com/firstgradewondersunitsixweektwo.htm> Note: this website is accessible by a computer. It will not download on phones or ipads. Please complete worksheets on paper if you can not print out.

Math: Adding 10's and 1's without regrouping. I have posted two ways to access the worksheet.

2nd Grade

Religion: <https://www.youtube.com/watch?v=pGGdidJ8DpU> This is a video about Palm Sunday, which is this Sunday. This is important to us because it is the beginning of Holy Week. Please continue to pray for your prayer partner.

ELA: <https://www.ixl.com/ela/grade-2#reading-foundations>, this is once again IXL, and we are working on setting and character. Remember the setting is where the story takes place. You will be asked which picture matches what the reading is about. **Please do R1.** Please continue to read at least 20 minutes each night.

Journal prompt: What are you most looking forward to about getting older? Why?

Math: <https://www.iknowit.com/lessons/b-rounding-nearest-ten-99.html> Today's assignment is rounding a double digit number to the nearest 10. For example 87 rounded to the nearest ten would be 90.

Science/Social Studies: <https://www.ixl.com/social-studies/grade-2/natural-resources> This is also IXL, **F1.** We will begin looking at and identifying natural resources. We have talked about this in the past. Remember, natural resources are things that occur in nature.

Physical Activity: Go Noodle: Jump, Squat, Turn Around with Madison Keys...3x through <https://app.gonoodle.com/activities/madison-keys-jump-squat-turn-around?s=Channel&t=Net%20Generation&sid=39&cs=net-generation>

Religion: Use your religion book to read pages 156-157. On the pages, mark the important information and vocabulary you want to remember.

ELA: On the last page of your Shiloh packet, answer the final 5 questions. Remember that these are asking about the full book, not just about a single chapter.

Math: Test Day- Go to Pearson Realize and look in the Classes Tab for your test. Please use a piece of paper to work out the answers first, then put your choice online.

Science: Follow the link to the Scholastic article “Cake Chemist.” After reading the article, try a recipe of your own with your family!

<https://superscience.scholastic.com/issues/2017-18/020118/cake-chemist.html#810L>

Physical Activity: 30 sec plank, rest then another 30 sec plank (toes and elbows on the ground and lift hips off the floor). 30 Washing Machines. 30 Ski Jumps. Go out and Jump Rope or play a game in the yard for 10 minutes.

Specials: LIBRARY: We have been studying reference books, including almanacs (books of facts and statistics, updated yearly). The Old Farmer’s Almanac has been in print since 1792 and is most famous for its weather forecasts and moon phase charts, among other topics interesting to farmers. Please go to: <http://www.almanac.com/kids/dalendar/2020-04-01>.

Scroll through the homepage, clicking on and exploring each main heading, such as “What Happened Today.” Activity: Watch these two videos:

<http://www.youtube.com/watch?v=TWUdt6hVEH4> and

<http://www.youtube.com/watch?v=iTL1rLPxmnU>

Now see what harmless, but funny, idea you can come up with to fool your family and/or friends! I'd love to see your ideas. You can send videos, photos, or descriptions of your ideas/results to asteffen@olhschool.org Be kind!!
